Mission Statement

- To teach the rules and techniques for effective expression and communication in the arts and sciences,
- To communicate, by these arts and sciences, our understandings of the universe and our role in it, and
- To instill a love of learning and discovery, justifying a life-long dedication to health, truth, and virtue.

Classical Charter Schools of America

Three Laws

Law 1— Reward good behavior,
you'll get more of it.

Law 2— Teach to mastery;
every child will learn.

Law 3— Watch the children,
*if they are not learning
or behaving, you're not
following the first two laws.*
